Robert N. Brooks
Assistant Dean of Students
Whitmore Administration Building
University of Massachusetts

Dear Mr. Brooks:

WMUA recently held elections for new officers and advisors for the coming year. Since we are now operating under our new constitution, the number of advisors we can elect has been limited from the usual five to three. As a result of this election we will no longer require your services as an advisor. WMUA would like to extend it's thanks for your assistance in the past, and hope we may feel free to contact you in the future for advice. We remain,

Sincerely yours,

Ken Horseman
